Dear Brian,

RE: ERAA as Nominated Client for NEMMCO Managed IT products

The Energy Retailers Association of Australia (the Association) requests that NEMMCO remove us from the role of Nominated Client, as defined in the NEMMCO IT change management Procedures, for NEMMCO Managed Products. This change can be effective immediately.

The Association finds that the normal approval and consultation process carried out by NEMMCO as part of its change management procedures are sufficient to ensure that our members concerns are appropriately considered. We believe that retaining the nominated client role creates unnecessary additional work for both the Association and NEMMCO.

Should you require any further information in relation to this matter please feel free to contact me on (02) 9437 6180.

Yours sincerely
